

Dear GCAN Friends,

Hope you can join us **on Wed, March 10 for our monthly GCAN Program.** We have rescheduled our program originally planned for February. Details below.

If you scroll down, there is additional information about a few other **events in March.** For those of you who attended the GCAN Meeting last year on Climate Change and Food or who participated in the "Menu for the Future" circle, please make special note of the two **gardening related** events.

We have also included information about **signing up for wind energy** and **investing in a local solar cooperative.**

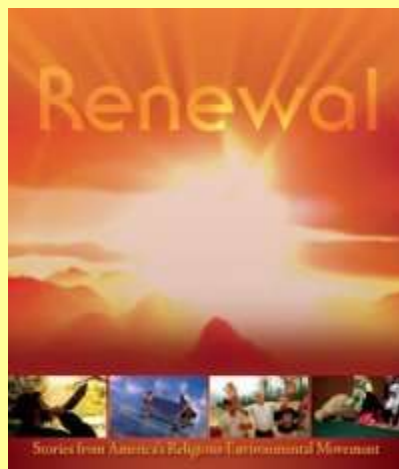

Thanks,  
Lore Rosenthal, programming chair  
Greenbelt Climate Action Network
